

Townsville Annual Results 2017

The Townsville Gun Club played host to its Annual shoot on the 15th and 16th July 2017. Despite the windy conditions and some passing showers on Saturday, good scores were shot over the weekend including what is believed to be the biggest Double Barrel Shoot Off Score at Townsville. Campers started rolling in early in the week and as hoped numbers were up from last year with 125 shooters in attendance.

Once again Halls Firearms donated a gun as the lucky door prize, thanks for your continued support. This year Daryl Chapman was the winner of a new Fabarm U/O Shotgun.
